FILMS (F)
All boxes currently marked “F” = “Films”

Box 1

Reel 1 (Color - 1952)
- Melanor on observatory rocks
- Paintings – woman on meadow
- Christ
- Paintings – blue snow
- Paintings – flower
- Paintings – woman with flower
- Paintings – self portrait
- Observatory study with fire
- Observatory in the snow

Reel 2
- Vacor tubes – unspliced section (upside down)
- Reich in laboratory

Reel 3
- Austria – skiing – WR & Annie – landscapes

Reel 4
- Family, friends – lake & skiing (last part upside-down)

Reel 5
- Children, communist parade, men
Reel 6

- Denmark 1934 – children, Elsa Lindenberg

Reel 7 (Color) – Orgonon

- Activity in laboratory – W. Washington, Sharaf, vacor tube, orgone room, orgone accumulator
- Building the Orgone Energy Observatory
- Newly-built Orgone Energy Observatory
- Interiors – Orgone Energy Observatory
- Interiors – laboratory
- W. Hoppe arriving for conference
- Raknes, Neill, Wolfe, Reich on laboratory porch

Reel 8 (Color - 1949)

- Observatory 1949 (poor quality)

Reel 9 (Color)

- Orgonon part of this may be on Reel #7 (poor quality)

______________________________________________________________

Box 2

Reel 10

- Orgonon – scenery, beginning Observatory construction (1 piece upside-down)
- 1949 – finished Observatory

Reel 11

- Geiger-Muller counter rotation
- Vacor set-up
- Motor force
Reel 12a

- Motor force – basically the same as Reel #11, includes some shots of Orgonon that also appear in Reel #7
- W. Washington in laboratory with motor

Reel 12b

- Motor force – same as Reel #11, but put in context at Orgonon

Reel 13

- Family and children

Box 3

Reel 14

- Norway: old church – waterfall – Institut für sexeconomic research-lab equipment – bioelectric experiment set-up
- T.P. Wolfe – Orgonon – Students' Laboratory – WR at cabin (shows a lot of equipment)

Reel 15 (Color)

- Views of Orgonon – supposed to show tree deterioration, probably 1952 (Color – not at all effective)

Reel 16

- Full moon (Is this a microscope slide?)
- Microscope slides
- Pitting on rocks at Orgonon
- Cloudbuster in front of laboratory – shows the box that Tom Ross made for Reich to keep equipment and notebooks in
- Experiment XX
- Vacor clip
Reel 16a
  - WCSH TV Portland – March 30, 1954 (no audio): WR with clodbuster

Reel 17
  - Clinical
  - Schizophrenia
  - Autonomic muscular movements in vegetotherapy
(Note: This film is in such bad condition that it can only be copied, perhaps by a frame-by-frame method which is expensive.)

Box 4

Reel 18
  - Desert, cholla, prairie grass

Reel 19
  - Soundtrack for Tucson TV – December 1954

Reel 20-1
  - Cancer demonstration film with English legends (copy)
  - Statement re. cause of cancer
  - Cancer mice – dissecting mouse, specimens of healthy and cancerous muscle tissue
  - Section showing development of cancer
  - Cancer cells – human cells together with bion culture (stills from this film used in The Cancer Biopathy)

Reel 20-2
  - Cancer (original – lacks legends)
**Reel 21 (Color)**

- Experiment XX “Primary biogenesis and the Cancer Cell”  
  (Filmed at Orgonon – English titles)
- Process of bion preparation – Ilse Ollendorff in Students’ Laboratory
- Bion water – shows use of filters
- Fluorophotometer in use – orgonotic potency
- Plasmatic flakes
- T-bacilli from plasmatic flakes
- Mouse cancer cells

**Box 5**

**Reel 22**

- Moss disintegration into vesicles (B&W with German titles)
- Movement of vesicles
- Flowing amoebae
- Experiment XX flakes and filaments (color – no titles)
- Orene crystals bag (color – no titles) – McCullough has written this description. He adds, “Needs editing.”

**Reel 23**

- Biogenesis (bion) – original demonstration and new copy (made in Oslo with German titles)
- Earth crystals
- Bion development
- Worm-like movement and forms
- Vegetative plasma streaming of an amoeba
- Moss in autumn (some included in #22, first segment) – vesicular disintegration, shows the physical reality of “streaming” sensations  
  (Note: Original and new copy are backward on reel)
Box 6

Reel 24
- Protozoa in grass infusion 1950 (Color and B&W – no captions except at very beginning)

Reel 25
- Preparation 8 – moss protozoan (B&W – German titles)
  a. Grass infusion
  b. Includes statement on the orgasm and explanation for term “Org-Tierschen”.
     “Eating vesicles” “Wave-form” – picture of patient with not yet fully freed movements
     (This appears in “Veget-Muskel” film.)
     Includes autumn moss sequence

Box 7

Reel 26
- Bion Preparation 6 – demonstration film made in Norwegian lab (B&W, German titles)
  Original and copy.
  - Reich and DuTeil in lab

Reel 27
- Bion film (original and new copy) – German titles are upside down and backward on reel.
  The copy is on the reel in the reverse of the original.

Reel 28
- Bion Preparation 6C and PA (original and new copy) English and German title:
  autoclaved blood (titles on original are upside down – film in reverse of copy)

Box 8

Reel 29
New copy of old film – pieces spliced together chaotically – titles backward.
- patients in bioelectric
• bions
• Spastic orgasm reflex from vegetative film

**Reel 30**
• Political parades – street scenes – CP children – band – native costumes
• “Arbeit – Brot – Freiheit”
• Socialist students

**Reel 31**
• Orene composite (B&W and color – no titles)

**Reel 32**
• Orgonon in snow (B&W – very short)
• Sign on road
• Interior Observatory laboratory
• Tom Ross, Peter Reich, William Moise coming down Observatory steps
• WR at cloudbuster
• Landscape of mountains and pond

(Note: This film is marked as having sound.)

**Reel 33 (B&W)**
Compilation of material copied by Huemark 1978
• Bions
• Blood (?) – German titles upside down and backward – whole film is probably reversed
• Sections of cancer tissue (title in English right side up)
• Film from Norway – Nic Waal and family – people from Norwegian Institute
• Microscopic slides – cancer or bions
• Internal streaming (protozoa?)
Reel 34
- Compilation copied by Huemark 1978 (on reel wrong)

Reel 35
- Frames copied from old film for German film – 1970 (Makavejev)

UNVIEWED FILMS MARKED BY WR:

Reel 36
- Feb.1954 – Proto-metazoan (copy)

Reel 37
- Rangeley cloud formation – AEA – August 1956

Reel 38
- R Clouds 1955

Reel 39
- Ea – DOR Front – August 1956, West of Orgonon

Reel 40
- Expedition OROP-Ea – R clouds, Feb. 1955

Reel 41
- Tucson, Ariz. – Little Orgonon, January 1955, after heavy Oranur rain

Reel 42
- Little Orgonon, Feb. 1955 – dying cholla

Reel 43
- Feb. 1955 – Rocks organizing at Oracle Road

Reel 44
- Tucson – Oracle – Feb.1955 – Clouds, DOR

Reel 45
- Oe white filaments (McCullough handwriting)
Reel 46

- AEA – Cloud forms – Washington, Sept. 1956

Reel 47

- Desert ET – McCullough – 1955

Box 8a

Films Transferred to Videotape

Bits and pieces (Box 8, Reel 29)

Norwegian Institute & early Orgonon (Box 3, Reel 14)

Motor Force – Exp. XXI (Box 2, Reels 12a, 12b)

Manuscripts (M)

All boxes currently marked “M” = “Manuscripts”

Box 1

Wissenschaftliche Arbeiten (handwritten)

List of manuscripts (published or unpublished) relating to Sigmund Freud

Fragment: “einer Analyse eines Falles von psycho-sexuellen Hermaphroditismus”- 1919 (handwritten, no transcription)

“Eine Lustmordphantasie” (aus der Analyse eines Stotterers) - no date (handwritten and transcription)

“Die Spezialisierung der Arztestandes” - no date, written while WR was a medical student, (handwritten and transcription)

“Libidokonflikte und Wahngebilde in Ibsen’s Peer Gynt”
  a. handwritten manuscript
  b. note of Orgone Institute Archives – 1952
  c. 3 copies of transcription of German manuscript

“Zur Diskussion der Sprachstörungen” 1921 (aus der Ambulanz für Sprachkranke in Wien, des H. Doz. Dr. Froschels) – two manuscripts and transcription of first three pages

“Bedeutungsbewusstheit” - 1920? (handwritten manuscript & corrected copy, and transcription)

“Erinnerungstätigkeit û Bedeutungserlebnis in der XX Kur” - 1920? (handwritten manuscript and transcription)

“Erinnerungstätigkeit / Erektive Impotenz” - 1920-22 (handwritten and typed, appears to be two separate manuscripts)

“Affektentwicklung und Affektlahmheit” - no date, reference to 1922 Berlin Congress (handwritten and transcription)

“Endoptische Erscheinung û bildhafte Vorstellung” - 1924 (handwritten and transcription)

“The Analysis of a Phantastic Vision in Childhood” - 1924 (handwritten in English)
Box 2

“Die psychoanalytische Therapie” - 1924 (handwritten and transcription)

“Über den epileptischen Anfall” - 1925 (handwritten and transcription)

“Das Wesen der Krankheitseinsicht” - no date, reference to Internationale Zeitschrift für Psychoanalyse [ZfP], 1925 (original and transcription)

“Über häufige, typische Ausserung des Kastrationskomplexes bei Juden” - no date (handwritten and transcription)

“Durchbruch û Abwehr des Verdrangten in der paranoiden Schizophrenie” - no date (handwritten and transcription)

“Kasuistik zur Charakteranalyse” - no date (handwritten and transcription)

“Realitätsanpassung und Neurosentherapie” - no date, reference to Die Funktion des Orgasmus, 1927. Title is crossed out on cover and WR has written “Dialektik” (handwritten and transcription)

“Libido und Angst - Charakterbildung IV” - no date (handwritten and transcription)

“Triebpsychologie und Charakterlehre V” - no date, reference to Der Triebhafte Charakter 1925 (handwritten and transcription)

“Triebpsychologie und Charakterlehre VI” - no date, reference to 1926 journal (handwritten and transcription)

“Die Psychoanalyse und der Protest des ‘Vereins Katholischer deutscher Lehrerinnen’ gegen die Zeitschrift für psychoanalytische Pädagogik” - no date, Vienna between 1927-30 (7), references to Die Funktion des Orgasmus, 1927 (handwritten and transcription). Quotations are missing from this manuscript - see pages 5, 6 (Meng, Freud) and page 7 (Meng) - Watch pagination - 1-9 on one side of page, 10-14 on other side.

“Genitalität û Gesellschaft I and II” - no date, reference to Marx and to Totem û Tabu, thus after 1927 (handwritten and transcription)

Box 3

“Die bürgerliche Sexualmoral als reaktionärer Faktor” - no date, probably between 1927-30 (handwritten and transcription)

“Sexualerregung und Sexualbefriedigung” – 1928

“Zur Massenpsychologie in der Proletarischen Bewegung” – 1929

Geschlechtsreife, Enthaltsamkeit, Ehemoral – 1930 (Copy of book with handwritten corrections for later edition)  FRAGILE
Sexualnot und Sexualreform - 1930

“Vorwort” - re. sexual needs and reform - no date

Published German sociological articles - 1934-38 (some with corrections, revisions, and notes 1944
